

For What It's Worth

This is only the first half of the song.

It has another verse and chorus which I haven't written up yet.

$\text{♩} = 130$
N.C. E_b Cm

To walk your feet up-on this earth To live your life for
4 what it's worth And I know that it's right, it never never will be, ah___
8 To sleep in bursts, and wake in free Is all part of horde psy-
12 cho-lo - gy And I know that it's right, it ne-ver ne-ver will be, ah___
16 And I know that it's real, I'm having problems with it, ah___
21 Stay out of my sight, if you don't wanna be revealed 'Cos these are the days when
27 nothing makes much sense I talk faster, I walk fas-ter and spinning in my grave
32 Is the pre-de-cess-or of my success-or, I'm chok-ing in the end_____
